Dear Sir,

Just a word to let you  
know about the arrangement  
I am making about the 18<sup>th</sup>  
of this month. I have talked  
it over with my boss and every  
thing is all right for the 18<sup>th</sup>  
for two week. I understand that  
you play in Newark that Sunday  
so I will have to leave Cambridge  
10 o'clock Saturday night to make  
connection. I didn't have much  
time to talk Sunday week, but  
your wife said I left owing her

I received a card from  
your wife wanting my Social  
Security number so it is  
214-10-0395.

Well I must close will  
see you next week.

Robert Spawey.

Twenty dollars <sup>(2)</sup> and \$12 for the  
time. I don't believe we talk  
about the terms or just how  
much I want to get for the two  
week, but every thing will be  
all right and I guaranteed  
to I will play a much better  
game the time especially my  
batting.

I mention to the woman  
when I stayed before on  
Wickliffe st that I would  
be back on the 18<sup>th</sup>, but  
I don't know if she has the  
room or not, then.
